All students will be assigned to one of the below activity periods on B day. A-Day is Advisory Day, where students are split into alphabetical groupings and assigned to a teacher/advisor. Some students will automatically be registered for AP Support (based on course selection), and others will be enrolled in ELA and/or Math Enrichment, based on their report card grades and/or test scores. Regardless, all students must complete an activity request form, entering their top four Activity Periods, in rank order.

AP Activity Periods

The following AP classes do not offer a mandatory or optional AP activity period: AP Chemistry, AP Environmental Science, AP French, AP Human Geography, AP Language & Composition, AP Literature, AP Spanish, AP Statistics, AP Studio Art, and all CSW AP classes.

1309-77 AP Biology Support – (Grade 12)

This extra help session is for students in Mr. Rigby's AP Biology class. Students will have the opportunity to review for upcoming tests, study in small groups, review test questions with Mr. Rigby, review class notes, and more. **This activity period is mandatory for all students enrolled in AP Biology.**

1309-54 AP Calculus Math Support: This extra help session is for students in Mr. Killheffer's AP Calculus class. Students will have the opportunity to review for upcoming tests, study in small groups, review test questions with Mr. Killheffer, review class notes, and more. **This activity period is mandatory for all students enrolled in AP Calculus AB.**

1310-25 AP Economics Support: This activity period will provide additional support for students taking AP Micro and Macro Economics. Time will be spent reinforcing lessons and completing practice problems. Students will be able to ask questions and leave feeling prepared for the challenges before them. **This activity period is mandatory for all students enrolled in AP Micro/Marco Economics. AP Economics students, please enter the entire course number and section onto the online form: 1310-25**

1309-89 AP European History (10-12):

This activity period will supplement the AP European History course, with a focus on DBQ's, AP exam strategies, as well as extra-time to work on packets/study guides. **This activity period is mandatory for all AP European History students!**

1310-28 AP Government – (11-12): This extra help session is for students enrolled in AP Government. Students will have the opportunity to review for upcoming tests, study in small groups, review test questions, class notes, and more. **This activity period is mandatory for all students enrolled in AP Government. AP Gov students, please enter the entire course number and section onto the online form: 1310-28**

1309-42 AP Psychology (Grade 12): This extra help session is for students enrolled in AP Psychology class. Students will have the opportunity to review for upcoming tests, study in small groups, review test questions, class notes, and more. **This activity period is mandatory for all students enrolled in AP Psychology.**

1309-79 AP US History Support (Grades 11-12): OPTIONAL Maximum Capacity: 30

This optional session will provide extra time for students to receive individual help, test review, personal writing conferences and a chance to see documentaries that we would not ordinarily have time for in class. This activity period is only open to students enrolled in AP U.S. History.

1309-06 Academic Support (Grades 9-12):

This provides extra time, in school, to work on homework in a quiet setting or request to seek help from an instructor. From time to time, the teacher will present intellectual puzzles for the students to explore.

1309-95 Advanced Theatre Company (Grades 10-12)

Only students who are enrolled in Advanced Theatre Company during the school day should sign up for this activity period. Students will continue to work and rehearse pieces during this time.

1309-48 Art Studio Workshop (Grades 9-12):

The workshop is designed to provide students **enrolled in a high school art class** additional time to work, as well as to seek instructor and/or tutored assistance outside of their scheduled art course(s). This is an active working studio, meaning, if an art student is caught up with studio projects, he/she should be working on their Visual Journals. AP Studio Art students will specifically benefit from the extra time in the art studio.

1309-39 Bluegrass Activity Period (Grades 6-12):

Learn the style and some repertoire of bluegrass . . . and prepare for performances at local festivals in Wilmington and New Jersey! Open to violin, viola, banjo, guitar, dobro and bass players who already have instruments and can play tunes or chords on them. Reading music will help a lot, but being able to learn and play from memory even better.

1309-82 Brass/Woodwind Ensemble (Grades 9-12):

This activity period is open to high school brass/woodwind players, and will focus on playing music for ensembles of various sizes and instrumentation.

1309-14 Cross Stitch Club (Grades 6 -12)

Students will learn how to create various art pieces with a needle, floss, and one simple stitch, X. Students will be amazed at what you produce with just an X!!! All skill levels and grade levels are welcome. Maximum 20 students

1309-47 Digital Audio and Video Club (Grades 9-12)

Looking to get behind Mr. Greider's cool cameras, as well as learn how to edit audio, video and learn the process of green screening? Get some more one on one with Mr. Greider and his minions of technology helpers and begin working on some really cool video and audio projects the whole school can see!

1309-84 Free to Be You (Grades 6-12):

Our club aims to create a prejudice and discrimination-free environment for everyone in the school and our community as a whole. We plan to accomplish this through raising awareness, creating allies, communicating, and providing overall support. We look to provide a safe, fun, and caring environment for students of all sexual orientations, races, abilities and backgrounds.

1309-12 French Support and Study Skills (Grades 8-12):

This is composed of French students who enjoy the study of the French language as well as students who need extra review and support in their French courses. Students in upper levels of the language work with and assist students who are experiencing challenges in their studies of the French language.

1309-30 Hackey Sack (Grades 9-12):

This game has been used to hone skills of soccer players for years, though it is not just for soccer. It can be played cooperatively or competitively. Hackey Sack is kicking a small cloth bag to see how long it can be kept in the air. No experience is necessary, as skills develop with practice.

1309-08 High School Chess Club (Grades 9-12):

Learn the basics of recreational chess, practice every (other) day, build self-confidence, become competitive in a nurturing environment, sharpen skills, improve concentration and logical thinking, research methods and strategies and have fun!

1309-97 High School Dance Company (Current Members ONLY 9-12):

This activity period is for students who auditioned and accepted into the High School Dance Company. Company members will rehearse and review choreography for upcoming performances. **DO NOT ADD THIS AS A REQUEST UNLESS YOU ARE ALREADY A MEMBER OF COMPANY.** Auditions for new members are held in September 2018.

1309-10 Jazz Jam Appreciation (Grades 6-12):

This is a student led jam session focusing on improvisation and musical selections from various genres and styles. No experience in jazz is necessary. Students are required to bring their own instrument.

1309-50 Knitting/Crochet club (Grades 6-12):

Students can knit and/or crochet by following patterns or work on their projects in a fun community atmosphere. You can make your own socks, hats, cozies, scarves, and more! You must bring your own materials. There is teacher supervision but no instruction; therefore, prior knowledge is required.

1309-51 Logic Games (Grades 9-12)

Students can come unwind and complete a Sudoku, crossword puzzle, or word search in this activity period. Students can also opt to challenge the teacher in a game of chess or checkers!

1309-86 Literary Club (Grades 9-12)

The Literary Club is intended for reading enthusiasts who enjoy exploring the various genres of literature, whether it be science fiction, non-fiction, works of theater, horror or just about anything! Bring books or literature to read, share and discuss with each other.

1309-64 Strings as a Second Instrument (Grades 6-12)

Any student is welcome to come learn to play violin, viola, cello or bass. No prior experience is necessary to learn a new instrument. This class is open to grades 6-12.

1309-73 Mythology and Folklore (Grades 9-12):

This activity period will discuss myths and legends from around the world. Students will continue to enrich their knowledge by studying the effects of mythology on contemporary culture

1309-25 National Junior Art Honor Society (NJAHS) (Grades 7-9): This is designed specifically for middle school and ninth grade students. In 1989, the National Art Education Association began the National Junior Art Honor Society program to inspire and recognize students who have shown an outstanding ability and interest in art and to generate interest in art programs at the secondary level and beyond. **Participants** gain peer recognition, leadership growth opportunities, college and career preparation, and an unmatched sense of camaraderie. **Participants** receive opportunities for publication in the *NAHS News* (semi-annual, digital publication), and the National Art Honor Societies Online Gallery powered by **Artsonia**. **Institutions of higher**

education view the NJAHS as a mark of accomplishment. Students inducted to the NJAHS must then be nominated for the NAHS when appropriate. Students that don't qualify for chapter membership are invited to attend to learn and participate in a variety of art making activities.

1309-16 Ninth Grade Social Studies Support (Grades 9 - 12):

Ninth grade can be a tough adjustment, and understanding Civics and Economics is not always easy. This activity offers help and support in Civics and/or Economics for any students who need it. Students will receive support from Mr. Clarke, as well as from any upperclassmen that sign up.

1309- 33 Old School Board Games: (Grades 9-12)

Students will participate in typical board games of two or more players, which will help them with vocabulary, strategy, reasoning, patience and comradery. If you love Scrabble, Life, Pictionary, Backgammon and other board games, this club is for you! Only good sports allowed in this club, so check your ego at the door.

1309-41 PE Games (Grades 9 – 12):

Engage in your favorite PE games from elementary school – high school. From messy yard to mat ball we will cover all your favorite games. We will also be creating our own games to share with the class!

1309-04 Piano Honors Society (Grades 7-12): This is a class by invitation of the most outstanding piano majors of both HS and MS.

1309-74 Reading Club (Grades 9-12):

This is a break in the middle of the day to read quietly and escape from the pressures of academics. Students need to bring a book they enjoy to this activity period.

1309-15 Weight Training – (Grades 9-12):

Workout in the weight room with Mr. Donnelly! Every B Day, you'll target a new muscle group and become fit and strong, just like Mr. Donnelly (HA!).

1309- 69 Women's Social (Grades 9-12):

A casual discussion group for students interested in the cultural, emotional and social issues facing today's young women. Come meet new people and find support from your peers.
